Lessons Continue at CommUNITY Music School!

The entire CMS community has rallied around our online lessons since we had to close the school after to Governor Wolf's orders due to the COVID-19 virus in our community. We are incredibly proud of our amazing teaching staff who have been conducting lessons remotely. We are thankful to our CMS families who have been so supportive of our teachers. Our students have been adaptable and resilient in the face of adjusting to a new learning environment. CMS is truly an amazing community!

We've had some proud parents sending us pictures of their students taking virtual lessons with CMS faculty members! We would love to see more pictures and videos! You can tag us in any photos or videos on Facebook or Instagram or use the hashtag **#VirtualCMS**. Also feel free to email us any photos/videos at community@cmsmusic.org. We are so lucky to have our commUNITY that is able to keep the music alive.

We have 30 instructors set up and ready for your weekly lesson! New students are welcome! Contact us at info@cmsmusic.org to set up a lesson.
