

*Celebrating musically into our 4th decade!*

**Will your employer match your gift to CMS?**

**You may be able to *double* your contribution and help further our impact!**

***Did you know you can give through your IRA?***

*As a qualified charity under the IRS, CMS is eligible for an individual to donate up to a maximum of \$100,000 of your required minimum distribution from your IRA without paying income tax on this withdrawal. To qualify for this tax deduction, funds must be transferred directly from the trustee of your IRA to the school. This donation will not be eligible as a tax-free qualified charitable IRA distribution if you withdraw the money from your IRA and later donate it. This contribution counts towards satisfying your required minimum distribution. We recommend consulting your tax advisor prior to making a decision relating to this type of contribution.*

**If you work for a company with a matching gift program, or have a relationship with a major foundation, YOU MAY BE ABLE TO DOUBLE THE AMOUNT OF YOUR CONTRIBUTION!**

**These are some of the many employers and foundations that will match donations:**
